

The duties of the Board shall be guided by the goal of enhancing student achievement and to:

- Define a Mission for the District
- Determine long and short term goals that will contribute to continuous improvement and move the District towards its Mission
- Establish direction for academic standards for the District
- Establish policies that set the parameters for Board governance and staff operations
- Approve budget and capital projects, and provide stewardship of the fiscal resources in relation to the Mission of the District
- Make data-based decisions on the basis of what is best for the students
- Employ a Superintendent and evaluate his/her performance, thereby holding the Superintendent accountable for addressing the goals and performance expectations of the Board
- Monitor and evaluate the overall progress of the District
- Adjudicate issues that come to the Board via the chain-of-command
- Model behavior consistent with expectations for the performance of all staff members
- Assure that the District abides by all applicable federal and state laws and district policies
