

Upon a student's initial enrollment in the District, parents shall be asked for consent for their children's appearances (interviews, video depictions and still photographs) in District-sponsored media, and for interviews and photographs arranged by the District for publication by the public news media. The consent required by this policy shall be obtained through the Student Enrollment Form.

Annual reminders of the rights granted the District under this policy shall be provided through appropriate notices contained in the parent handbook provided to parents at the start of each school year. Any parent who wishes to modify or revoke a previously-issued consent shall do so through a written notice to the principal of their child's school.

"District-sponsored media" shall include District and school print publications, District television programming and District or school websites, but shall not include "student publications" as defined by K.S.A. 72-1506. Pursuant to Kansas law, student editors of student publications are responsible for ensuring that appropriate consent has been given by persons who appear in student publications.
